

Making a Certificate

A certificate is a way of recognising someone who has done a good deed.

RESPECT is our key word for Term 1.

Read our Active Learner wall and find one way that others can show respect

TREATING OTHERS FAIRLY

HELPING OTHERS BEING POLITE

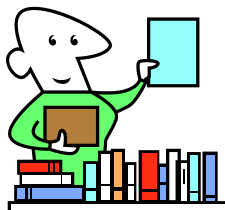

LISTENING TO OTHERS

Make a colourful certificate for a person in class who you believe is helping our class achieve our Term 1 goals by showing respect to others. Check the Learning Intention chart for how to do this.

Write their name and what the certificate is for. Put it in the mailbox for Friday afternoon. Your teacher will put out paper if you need it. You may use a computer to create a certificate

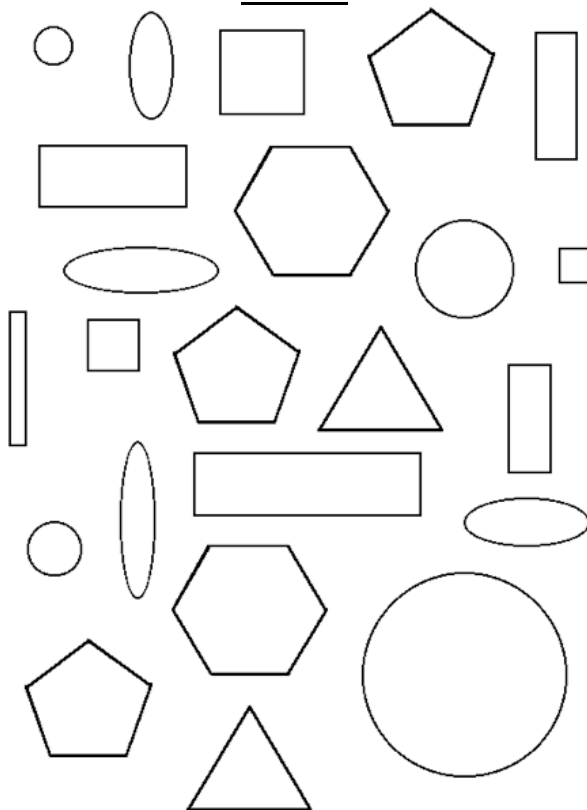

READING

Remember to take home a reading book from your reading group box.

Mathematics

SHAPE

How well do you know your shapes?

Colour the:

Squares RED,

Rectangles BLUE,

Circles GREEN,

Ovals ORANGE,

Triangles YELLOW,

Pentagons PINK and Hexagons PURPLE

Reading

Choose a book from your book box, library or one of your own and read each night. Read aloud to someone-remember we are working on reading fluency.
